Exclusive apartment in a designer residence with breathtaking views, fully furnished and custom-designed, in one of the best locations in Gardone Riviera.
In the heart of Gardone Riviera's most exclusive residential area, just steps from Villa Eden, the historic center, top-notch restaurants, and the Vittoriale degli Italiani, lies this extraordinary designer residence within a well-maintained residential complex with just five units.
The apartment combines absolute privacy, an extremely quiet location, and spectacular views of Lake Garda-a rare combination that makes it ideal as both a luxury second home and a stylish primary residence.
Just two years ago, the property was completely renovated internally and redesigned to the highest quality standards. Timeless design, high-quality materials, and state-of-the-art technical features were prioritized. A dimmable lighting system, an integrated Sonos multi-room sound system, and numerous thoughtful details create a truly luxurious living atmosphere.
The spacious, bright living area, with an open-plan kitchen, opens onto the lake through large windows, seamlessly connecting the interior and exterior. The master bedroom also offers unobstructed views of Lake Garda, giving you a sense of uniqueness from the moment you wake up.
A special feature is the spacious, fully glazed veranda. Thanks to elegant sliding doors, it creates a living space that can be used year-round, perfect for relaxing, entertaining, or simply enjoying the breathtaking view. From here, there's direct access to the private garden. A separate entrance with a staircase further enhances the property's exclusivity.

The sleeping area includes a master bedroom with lake views, another room ideal as a guest room, children's room, or study, and two modern bathrooms with natural lighting and a contemporary design.
A major advantage of this property is its fully furnished and equipped interior. Custom-designed furniture, high-quality furnishings, and everything you need for everyday life-from kitchen appliances to crockery and cutlery, to stylish accessories-are already included in the purchase price. The apartment has been furnished with great attention to detail and is move-in ready, ideal for those looking to move in immediately without having to plan or furnish anything.
The offer also includes two covered parking spaces and a wine cellar in the immediate vicinity of the apartment.
Residents can enjoy a splendid panoramic swimming pool with a unique view of the lake – a place of peace and relaxation in one of the most sought-after areas of Lake Garda.
Equipped with independent gas heating, air conditioning, cutting-edge technologies and a complete renovation completed just two years ago, this property meets the highest standards of comfort, design and quality.
An extraordinary opportunity for those seeking a luxury residence ready to move into, in one of the most exclusive areas of Lake Garda – without compromise, without stress, and without waiting, with the feeling of being at home from day one.
